

LETTERS TO AN ENGINEER

University of Houston Society of Women Engineers

WHAT IS ENGINEERING?

WE ARE

- ❖ Women Engineering Students at the University of Houston
- ❖ Innovators working on exciting projects
- ❖ Passionate about engineering
- ❖ Mentors and Friends
- ❖ Ready to support and inspire women in the field of engineering!

WHO ARE WE?

How Does it Work?

YOU

- ❖ You get to write a letter!
- ❖ Ask ANY questions you have about engineering
- ❖ Have fun and learn!

US (UH Society of Women Engineers)

- ❖ Read your letters
- ❖ Answer your questions with hand written letters
- ❖ Encourage you to stay curious!

How To WRITE A LETTER

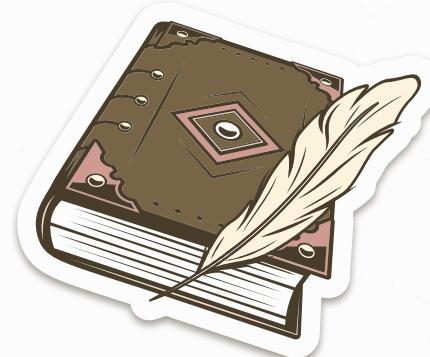

Let's Write a Friendly Letter

DATE

Top right concern
Month, day, year

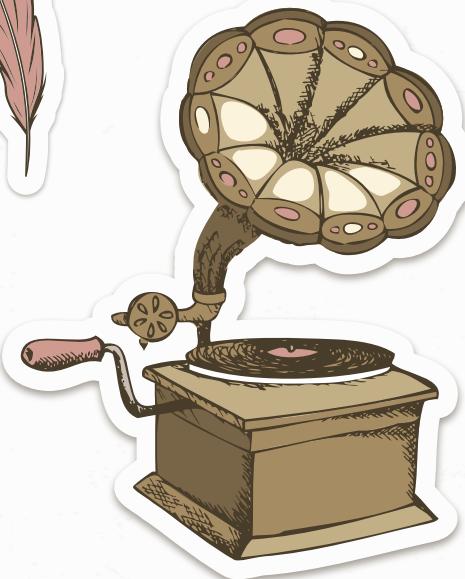

02

GREETING

Dear,

Body

XXXXXXXXXX

04

CLOSING

From,
[your name]

Greeting

Date

Oct. 29, 2012

Dear Friends,

I learned a lot in school last week! In math, I learned all about parallel lines, 3-D shapes, and vertices.
(comma in a series)

I loved reading the book Room on the Broom.

underline book titles in a sentence
Plural nouns are not a mystery anymore. I can't wait for next week!

From,
Mrs. Sandberg

Now IT'S YOUR TURN

XXXXXXXXXXXXXXXXXX
